Safety, Health, and Employee Wellness Branch 2004 Environmental Compliance Audit Schedule

Executive Order 13148, *Greening the Government Through Leadership in Environmental Management*, and the Animal and Plant Health Inspection Service (APHIS) Environmental Protection Program (EPP) Manual mandates that the Environmental Protection Specialist, Safety, Health, and Employee Wellness Branch, conduct Environmental Compliance Audits at least once every three years at APHIS facilities. Therefore, the following 2004 environmental compliance audit schedule has been compiled to meet those requirements.

DATES	FACILITY(S)
February 24-27, 2004	Citrus Canker Eradication Program, West Palm Beach and Sarasota, Florida
